

**BOSNIAN PYRAMIDS, TRAVEL TO THE MOST ANCIENT HISTORY,
A JOURNEY TO MYSTERY**

Eugenia Orantes and guide Ajdin. Ajdin is the perfect combination of an alchemist and a wise man.

Result: An unforgettable journey.

A JOURNEY TO THE BOSNIAN PYRAMIDS, AUGUST 2017. A wonderful group in a wonderful place, with the best Guide that we could have, with experiences that fill the heart and that have nourished the Soul. Thanks to everyone for your loving presence, for your respect for everyone, for your confidence and above all for your commitment to life and to the evolution of this wonderful planet and all those who inhabit it. I feel resounding with the Love that we have all shared. Eugenia

Haven't you enjoyed your summer vacation yet? Do you still have days off? If that is the case, and if it is in of your interest, I remind you that the next planned trip to the

Bosnian Pyramids will be from the 18th to the 24rd of September 2017.

Through it, I want to offer you the opportunity to know "in situ" these Pyramids and to have incredible "life" experiences and healing that you will receive there. I assure you it will be something very special and you will not be disappointed!

I want to share with you some of the testimonies received from participants in the trip which was just made in August with Eugenia Orantes.

"We are in harmony and enjoying the most AMAZING life ... Thanks to all .. We love you all. I hope that the destiny reunites us again". Elena and Javier.

"Perfect combination of Alchemy and Wisdom Result: An unforgettable journey!" Lourdes.

"I feel very different after this trip, something appeared in me that I did not know, I seem to be a different person with ideas, feelings and a way of approaching life in a different way. As if my soul was rising. I feel calm, strong, renewed energy, with an immense love inside me and full of positive hopes and ideas. Thank you! I needed to share these feelings with you. This trip and those pyramids have transformed me! THANK YOU!".

Paqui.

"I also feel different. I now have the already famous" Calm down "in my head and the truth is that it works. It was great to have shared these days with you.

Mariam.

"Bosnia, its Pyramids and its inhabitants are MAGICAL! We should all know what is happening there." The good news exists and here is one of them: a new world is possible now!

Isabel.

"A wonderful group in a wonderful place, with the best guide we could have, with experiences that fill our hearts and nourished our soul. Thanks to everyone for your loving presence, for your respect for everyone, for your confidence and above all for your commitment to life and to the evolution of this wonderful planet and all those who inhabit it. I feel resounding with the Love that we have all shared.

Eugenia.

"Thank you for this magical journey."

Antonia
